The tuition was increased by the UTTC board according to Administration staff on 6/22/2015 to \$115.00 per credit hour for the 100 – 200 level courses. Welding was decreased from \$155.00 per credit hour to \$115.00 per credit hour. The update will just state the current tuition of \$115.00 for 100-200 level courses and \$200.00 for the 300-400 level courses.

The update will also clarify what the mandatory fees cover, which also identifies the amounts to be budgeted by Finance to the various items, such as Assessment, Athletics, Student Senate and Technology. There will be an increase of Technology income, as the mandatory fees will be charged to part time and full time students and capped at 12 credit hours. We have a need to expand WIFI capabilities, so students can work from all campus housing. The program fees will subsidize items that are required for to complete specific programs. Required information that supplies are available to be purchased at bookstore or a vendor of choice will be published as required. The updated fee schedule is listed in Section IV.
